AMENDMENT TO AGREEMENT

THIS ADDENDUM to agreement is made and entered into this ____ day of _____ 2005, between the County of Monroe (County) and Key West Harry S. Truman Foundation, Inc., a not-for-profit corporation (Grantee).

WHEREAS, there was a contract entered into on October 20, 2004, between the parties, awarding \$72,500 Grantee for the Harry S. Truman Little White House SHS HVAC Upgrade and Collections Protection project to improve the Little White House property for purposes of providing climate control and sun protection to preserve and protect the collections of furniture, books, and documents; and

WHEREAS, it has become necessary to extend the contract for an additional period to allow the Grantee time to receive and install the new air conditioning system to complete the project.

NOW, THEREFORE, in consideration of the mutual covenants contained herein the parties agree to the amended agreement as follows:

1. The contract period as outlined in Paragraph 1 is extended to February 1, 2006.
2. The following provisions shall be added to the contract dated October 20, 2004:
 - A. If, and to the extent that, Grantee contracts for any of the work funded under this agreement to be performed or completed, Grantee shall give notice to County of the contractual relationship, provide County with a copy of any and all contracts and shall require the contractor(s) to comply with all the terms of this contract. Should grantee contract the work and then decrease the scope of work to be performed by a contractor, Grantee shall provide County with an amended contract executed by Grantee and its contractor.
 - B. A Grantee which is a governmental entity shall comply with the procurement regulations and policies to which it is subject, and shall provide Grantor documentation of the procurement requirements applicable to the project and compliance therewith.
 - C. Grantee shall exercise good internal controls to assure that the project shall be completed on a timely basis within the proposed budget and shall provide to County any certifications, including those by the architect, engineer, contractor or an independent consultant if necessary, required to establish that materials which are purported to be applied to the project are in fact so applied. When any permit is required by any governmental agency, copies of plans and other documents which are submitted to the applicable agency shall be

submitted to the County Engineering Division to enable verification that the scope of services under this agreement has been provided.

- D. It shall be necessary for the Grantee to contact the County Engineering Division and to arrange for inspections upon the completion of each phase/segment. The documentation needed to support the payment request shall be in the form necessary for submission and available to the County engineer at the time of inspection. All submissions for payment shall have a proposed schedule of values for phase(s)/segment(s) and indicate the percentage of completion of the overall project as of the submission. This document should be signed by the project architect, engineer, general contractor or project manager. Photos of the progress of the work shall also be submitted with the payment application. It shall be the responsibility of the project architect, engineer, general contractor or project manager to initiate the communication with the Monroe County Engineering Division to facilitate the inspection(s) of the phase/segment of the project. All submissions requesting payment shall be approved in writing, and signed, by the Monroe County Engineering Division as to the completion of the phase/segment of the project for which payment is requested.

- E. The application for payment document must be certified through a statement signed by an officer of the organization and notarized, declaring that representations in the invoice are true and factual. Grantee shall also provide partial releases of liens or certifications of non-lien if applicable. Grantor shall retain 10% of any payment on work in progress until the Grantee has provided a Final Release of Lien for each vendor/Contractor for whom payment is requested. For projects exceeding \$25,000 in TDC funding under this agreement, final payment will not be made until the following documents are complete and submitted to the Grantor:

AIA Document	G-702	Application for Payment Summary
AIA Document	G-704	Certificate of Substantial Completion
AIA Document	G-706	Contractor's Affidavit of Debts & Claims
AIA Document	G-706A	Contractor's Affidavit of Release of Liens
AIA Document	G-707	Consent of Surety to Final Payment (when applicable)
Final Release of Lien or		Affidavit and Partial Release of Lien

For projects for which TDC funding under this agreement is \$25,000 or less, the AIA documentation is not required, but sufficient documentation must be submitted to County to provide similar assurances that the work has been completed and contractors/suppliers paid.

- F. Grantee may elect to have vendors and contractors paid through the direct vendor method, upon submission of appropriate documentation as outlined above and a specific request that payment be made directly to the vendor or contractor rather than to Grantee.
- G. Upon successful completion of this Grant agreement, the Grantee may retain ownership of the real and personal property acquired and/or improved with funding under the Grant Agreement. However, the Grantee shall complete and sign a Property Reporting Form for personal property and forward said completed form with the appropriate invoice to the TDC Administrative Office. Real property acquired or improved through funding under this agreement shall remain dedicated for the purposes set forth herein or for other purposes which promote tourism and retain ownership of said property in the Grantee. The following terms shall apply:
- (i) The Grantee shall have the use of the equipment and other personal property at the project site for its useful life so long as the facility is operated by Grantee, open to the public, and has a primary purpose of promoting tourism.
 - (ii) At such time as any of the conditions in sub-paragraph (i) above cease to exist, the Grantee shall transfer ownership and possession of equipment and personal property to another governmental entity or not-for-profit organization which will operate the facility for purposes for which tourist development taxes may be used pursuant to Florida Statute; and refund to the County the amount of Tourist Development funding received for the real property phases of the project at such time that the Grantee demolishes the project facility or divests itself of ownership or possession of the real property, or the use of the property no longer has a primary purpose of promoting tourism. This provision shall survive the termination date of all other provisions of this contract for a period of ten years. Should the demolition, transfer of ownership, or change to a non-tourist related purpose occur after the facility has been used for tourist-related purposes for at least three (3) years, the amount of refund shall be pro-rated based on a useful life of ten (10) years.
 - (iii) The Grantee is responsible for the implementation of adequate maintenance procedures to keep the real and personal property in good operating condition.
 - (iv) The Grantee is responsible for any loss, damage, or theft of, and any loss, damage or injury caused by the use of, real or personal property or equipment purchased through funding under this Agreement.

3. The remaining provisions of the contract dated October 20, 2005 remain in full force and effect.

IN WITNESS WHEREOF, the parties have set their hands and seal on the day and year first above written.

DAC 1 Advisory Committee
Monroe County TDC

Ladies and Gentlemen:

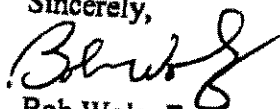

In spite of our best laid plans, will complete 3 out of 4 of our projects , but must ask for an extension on the 4th.

Our architect Michael Ingram has been notified our new air conditioning system has been delayed at the factory due to the four hurricanes of last season and the needs of the US military for air conditioning. We had anticipated finishing all four projects on time, but this will not happen.

The work should be completed and all bills presented by February 1, 2006.
This one item is , of course, the single most expensive of the list and the TDC share
So we are requesting an extension of \$45,000.

Thank you for your consideration.

Sincerely,

Bob Wolz, Executive Director
Key West Harry Truman Foundation, Inc.

NOW, THEREFORE, in consideration of the mutual covenants and payments contained herein, the Grantee and the Grantor have entered into this agreement on the terms and conditions as set forth below.

1. **GRANT AGREEMENT PERIOD.** This agreement is for the period October 1, 2004 through September 30, 2005. This agreement shall remain in effect for the stated period unless one party gives to the other written notification of termination pursuant to and in compliance with paragraphs 7, 12 and 13 below.
2. **SCOPE OF AGREEMENT.** The Grantee shall provide upgrade to a high velocity HVAC system, sealing second floor windows against water intrusion during tropical storms, hurricane tie-downs for the roof and high impact/UV reduction protective window film, as described in the funding application. All work for which grant funds are to be expended must be completed by the stated termination date of September 30, 2005 and all invoices pertaining to this project shall be submitted to the Finance Department of Monroe County no later than September 30, 2005 to be considered for payment.

a) There shall be a project manager to acknowledge receipt of goods or work performed. This Project Manager shall be Robert J. Wolz, Executive Director, Key West Harry S. Truman Foundation, Inc, whose address and phone number are 111 Front Street, Key West, Fl. 33040, and 305-294-9911. b) If, and to the extent that, Grantee contracts for any of the work funded under this agreement to be performed or completed, Grantee shall give notice to County of the contractual relationship, provide County with a copy of any and all contracts and shall require the contractor(s) to comply with all the terms of this contract. Should grantee contract the work and then decrease the scope of work to be performed by a contractor, Grantee shall provide County with an amended contract executed by Grantee and its contractor.

c) Grantee shall exercise good internal controls to assure that the project as described in the funding application shall be completed on a timely basis within the proposed budget and shall provide to County any certifications, including those by the architect, engineer, contractor or an independent consultant if necessary, required to establish that materials which are purported to be applied to the project are in fact so applied.

3. **AMOUNT OF AGREEMENT AND PAYMENT.** The Grantor shall provide an amount not to exceed \$72,500 for materials and services used to improve, rehabilitate, repair and renovate the property. Included in said documentation shall be proof that the Grantee has received and applied to the property matching funds equivalent to or greater than the amount invoiced to the Grantor. The application for payment document must be certified through a statement signed by an officer of the organization and notarized, declaring that representations in the invoice are true and factual. All payment requests must be submitted no later than September 30, 2005. Invoices received after September 30, 2005 will not be considered for payment.

- b) Grantee may elect to have vendors and contractors paid through the direct vendor method, upon submission of appropriate documentation as outlined above and a specific request that payment be made directly to the vendor or contractor rather than to Grantee.
- c) Application of matching funds requires actual payment of the matching funds, or, in the alternative, a commitment of said funds and that the portion of the project for which the matching funds are to be used has been sufficiently completed to require payment of said matching funds. Mere obligation through execution of a contract or approval of a budget item to be paid from matching funds will not suffice.
- d) Documentation shall be submitted to the TDC Administrative Office to show the receipt and application of in-kind donations of goods, professional services, and materials. Said documentation should include invoices, bills of lading, etc., and be verified as received and applied to the project through a notarized statement of the project architect, engineer, general contractor or project manager. This document should be signed by the project architect, engineer, general contractor or project manager. Photographs showing progress on project shall be included in any payment request. The Project manager shall certify delivery to the project site and installation therein of any goods or services provided other than through an architect, engineer or contractor. - e) Grantee must submit all documentation for final payment on or before the termination date of this grant of September 30, 2005. Invoices received after September 30, 2005 will not be considered for payment.
- f) At any time that the documentation requirement policies of Monroe County are revised, Grantee shall comply thereafter with such increased requirements, or further funding under the agreement may be terminated by County.
- g) Upon successful completion of this Grant agreement, the Grantee may retain ownership of the real and personal property acquired and/or improved with funding under this Grant Agreement. However, the Grantee shall complete and sign a Property Reporting Form for personal property and forward said completed form with the appropriate invoice to the TDC Administrative Office. Real property acquired or

improved through funding under this agreement shall remain dedicated for the purposes set forth herein or for other purposes which promote tourism and retain ownership of said property in the Grantee. The following terms shall apply:

- (i) The Grantee shall have the use of the equipment and other personal property at the project site for so long as the facility is operated by Grantee, open to the public, and has a primary purpose of promoting tourism.
- (ii) At such time as any of the conditions in sub-paragraph (i) above cease to exist, the Grantee shall transfer ownership and possession of equipment and personal property to a/another not-for-profit organization which is a facility for which tourist development taxes may be used pursuant to Florida Statute; and refund to the County the amount of Tourist Development funding received for the real property phases of the project at such time that the Grantee demolishes the project facility or divests itself of ownership or possession of the real property, or the use of the property no longer has a primary purpose of promoting tourism. This provision shall survive the termination date of all other provisions of this contract for a period of ten years. Should the demolition, transfer of ownership, or change to a non-tourist related purpose occur after the facility has been used for tourist-related purposes for at least three (3) years, the amount of refund shall be pro-rated based on a useful life of ten (10) years.

It is the responsibility of the Grantee to maintain appropriate records in accordance with generally accepted accounting principles consistently applied to insure a proper accounting of all funds and expenditures. The Grantee understands that it shall be responsible for repayment of any and all audit exceptions which are identified by the Auditor General for the State of Florida, the Clerk of Court for Monroe County, the Board of County Commissioners for Monroe County, or their agents and representatives. In the event of an audit exception, the current fiscal year grant award or subsequent grant awards will be offset by the amount of the audit exception. PROJECT BENEFITS - ALL PROJECTS

1. Is the primary purpose of the project to promote tourism in Monroe County? yes
2. How will the project promote tourism in Monroe County?
The Harry S. Truman Little White House State Historic Site is the only Presidential site in the state of Florida. It is well known for its historic connection with President Harry Truman 1946-1952 and later with Presidents Eisenhower 1955-1956 and John F. Kennedy 1961 and 1962. In April 2001, Secretary of State Colin Powell chose it as the site for a week long international peace conference. The international focus of the press on each of these world leaders has reflected positively on Key West and Monroe County. Beginning in 2003, the Little White House co sponsors annually with the Harry S. Truman Presidential Library of Independence, Missouri and with Florida Atlantic University of Boca Raton, Fl an educational conference that has brought nationwide publicity to Key West. Previous speakers at these conferences have included Truman staff members, Truman family members, world class scholars and well known speakers like General Brent Scowcroft, the national security advisor to Presidents Ford and George H. Bush and Civil Rights leader Congressman John Lewis. We have also been featured on the statewide PBS show, New Florida and the highly acclaimed one hour HGTV special, Historic Homes of the Florida Keys.
